Sir:

This amendment is in response to the Office Action dated June 18, 2003
wherein the Examiner rejected claims 1-25.

IN THE CLAIMS

1. (Currently Amended) A mobile crane apparatus, comprising:
a trailer having a frame supported for road travel on only a single axle that
mounts a wheel on each opposite end of said axle, said trailer having a
substantially rectangular trailer platform carried on said frame on at least one pair
of wheels;

a hydraulically operated crane having a center post and a boom, said
center post supported at a fixed position on said trailer to extend upwardly from a
central location of said trailer platform, said central location substantially centrally
located both longitudinally and laterally, and said boom being telescopically
